

As a candidate for Governor of the State of Tennessee, I,  
\_\_\_\_\_, understand that the Regional Medical Center  
(the MED) submits \$80 to \$90 million annually in claims for federal funding  
for uncompensated care. However, the MED currently only receives a  
fraction of these reimbursements from the State of Tennessee. If I am elected  
Governor of the State of Tennessee, I pledge to do all in my power to  
provide a greater share of this money to the MED in order to ensure its  
continued financial viability.
